

# Software Engineer – Web Frontend (m/f/d)

---

plazz AG is an IT development studio with locations in Erfurt and Munich. Our team consists of detail-loving UI designers, passionate developers and customer-focused project managers. As digital experts, we do not deliver solutions from a drawer, but create products that both our customers and we feel comfortable with. With exactly this passion, we have been developing and marketing the Mobile Event App since 2013, a SaaS solution for events that makes us one of the market leaders in Germany.

**Location:** Erfurt, Bahnhofstr. 5a – between Anger and main station – or predominantly remote  
**Period:** Immediately, fulltime, but also as a working student or freelancer
